December/January Newsletter

The end of 2008 is here!

Hope everyone had a Happy Thanksgiving and a Merry Christmas.

We would like to thank everyone that helped with the Halloween party – it was a great success. Everyone had a good time. Our committee for Activities is doing a great job!

January 2009 is time for new Golf cart stickers. Please bring in your 2009 proof of insurance for your new sticker. (The charge for the sticker is \$1.00.)

If you do not mow and keep your lot cleaned this year, we will have it cleaned and mowed and then add the charges to your POA dues. So let's do a better job this year of keeping our properties looking nice.

Reminder: as of 2009 property owners will need a demolition permit as well as a building permit for renovations, as applicable. As always, certain renovations and building will require a Putnam County Permit as well.

Our security officers would like to remind everyone of these numbers:

Non-emergencies.....765-653-5115

Emergency.....911

Our officers work **with** The Putnam County Sheriff department.

And a heads up that Section 2 and Section 3 will have elections for new Directors in May. Ballots will be sent out to those sections before hand. Stand up and be counted! If **you** would like to be a director for your section, just stop by the office to pick up an application and the rules.

Also, a reminder to new residents: Stop by the office to register. Our office hours are:
Wednesday, Thursday, and Saturday 10 AM to 2 PM

If you would like future newsletters e-mailed to you, please send us that information. Our e-mail address is: vblpoa@airhop.com

Thank you,
Van Bibber Lake POA
Board of Directors
