

VanBibber Lake POA News - April 2011

The Election of officers for the May Members Meeting is just around the corner. This year Section 1 and 6 are up for election. For those members in Sections 1 and 6 there is an enclosed nomination form which you will need to fill out and return to the POA office by May 1st. The following requirements are per the 1998 By-Laws, Section 3.3 "The Member seeking nomination must be a Member whose lot is located in the section of the Community for which there is a vacancy, and such Member must be in good standing with the association. A Member seeking nomination must obtain a minimum of five (5) signatures from such Member's section nominating such Member for election."

We will be looking for 3 Members to be part of the Nomination Committee. You will need to be able to meet on Sunday May 1st at the POA office to review nominations from the members seeking a position on the POA Board of Directors. Come in or call the POA Office at 765-739-6804 if you are interested in serving on the committee.

The May Semi-Annual Members Meeting will be held on Sunday May 22nd at 1:00 PM in the Lion's Club.
This news letter will serve as notice for the May Members Meeting as per the 1998 By-Laws.

Parents: there will be an Easter Party for the kids on Saturday April 16th at 1:00 PM in the Lions Club.

Construction is underway on 3 community bulletin boards. They will be located between the store and section 1, just west of the mailboxes along the lake shore, and in front of the Lion's Club at the road in the center of the circular drive. **There will be no more postings allowed on the mailbox structure.** Please use stick pins or thumb tacks only when posting on these bulletin boards so as to preserve their condition. **Do not use staples, nails, etc.** The construction of the boards is part of the community improvements that your POA Board has been involved in. Let's keep working towards a better community.

The Board of Directors would like to thank everyone who contributed their time to help in repairing the roads last year and our thanks to the Lion's Club for fixing lunch for the crew. We will need volunteers for road repair this spring. Look for additional information on the community bulletin boards in the coming weeks.

We have installed a drop box outside the POA office door. If you wish to pay your POA dues you may leave your check or money order in the drop box. Be sure to attach your invoice or indicate on the check which property you are making a payment on. This will help our office manager apply it to the proper property. **No CASH please;** cash payments should be made in person. Office hours are Wednesday and Saturday between 10 AM and 2 PM.

Anyone interested in seeing the monthly meeting minutes and/or treasurer's report will find them posted just outside the POA office in the first glass cased bulletin board. Prior month's reports are available upon written request.

You may have noticed that the security car is in need of some major repairs. We had an opportunity to purchase a newer vehicle at the March board meeting. The vehicle was not planned for in this year's budget but the opportunity was too good to pass up. We are going to use this year's emergency fund, crime watch and any arrears dues that we have been collecting to fund the purchase of this vehicle. This new vehicle will be a big improvement over the current vehicle and should serve the community well for many years to come.

Saturday July 2nd has been selected for the date to have the July Fireworks display.
We will be looking into having some music provided at the pavilion from 8 to midnight.
We hope you will come out and enjoy the evening.

Thank you for your support.

Your 2011 POA Board of Directors
